

Wirth's Circus.

Both at the matinee and evening performances on Saturday the circus tent was packed with people. There was a large percentage of children in the afternoon, but the larger portion of the crowd which filled the canvas at night were grown folks.

A better show was given than any time since they first arrived here; a number of entirely new acts being introduced, all of which were good. Tonight a new show will be given and Wednesday night will be the last performance.

This company deserve the liberal patronage they have had while on the Islands, having brought a good show and fulfilled all obligations. The band of the troupe serve a compliment. They have a very difficult part to fill, especially Mr. McMahon the comedian, on account of the rapid changes necessary to cover all the acts.

Sound Basis.

The testimonials published by the proprietors of Hood's Sarsaparilla are not purchased, are they written up in their office, nor they from their employees, but they are from truthful and grateful people, who are reliable and as worthy of confidence as if they came from your most trusted neighbor.

Hood's Pills are the best family cathartic liver medicine. Pure, reliable, sure. —11—
